

2022 The Seventh International Conference on Economic and Business Management

<http://www.febm.org/>

Nanjing, China / October 24-26, 2022

About FEBM2022

Due to the impact of the epidemic in recent two years, the world economy has also suffered great fluctuations. "Digital Finance", "Internet Finance" and "Science and Technology Finance" have gradually become hot spots in the industry. Enterprise development is also facing more challenges and difficulties. How should enterprises face the new situation and transformation. FEBM2022 aims to promote the exchange of relevant experts in the field of economy and enterprise management, discuss existing problems and challenges.
